DOING WHAT IS BEST FOR THE FUTURE OF CALIFORNIA'S FINANCIAL ENTERPRISE!

Looking for a change? Do you want to make a real difference? Join the team responsible for changing financial management in the State of California.

The Financial Information System for California (FI\$Cal or FI\$Cal Project) is a historic partnership of the Department of Finance, the State Treasurer's Office, the State Controller's Office, and the Department of General Services — to transform the existing budgeting, accounting, procurement, and cash management systems to optimize the financial business management of the State. FI\$Cal will allow the State to operate as a single enterprise for the first time in history.

Join FI\$Cal. With a passion for implementing change and vision for enterprise-wide thinking, you will take a leading role in achieving our goal to bring enterprise resource planning tools and statewide process improvement to the State of California.

THE FI\$Cal PROJECT IS SEEKING MOTIVATED CANDIDATES WITH THE FOLLOWING CHARACTERISTICS:

- ✧ Ability to exercise a high degree of initiative, independence of action, and originality;
- ✧ Ability to learn rapidly, follow directions, and communicate effectively with others;
- ✧ Ability to work unscheduled excess hours if needed to achieve Project goals;
- ✧ Ability to maintain regular, consistent, and predictable attendance.

Candidates must also:

- ✧ Demonstrate good judgment, tact, initiative, and diplomacy;
- ✧ Be highly adaptable – and have the ability to adjust to multiple, changing priorities requiring quick turnaround;
- ✧ Be able to work in a matrix team environment, collaboratively and cooperatively with staff from multiple departments and agencies, and numerous vendors.

DUTIES: Under the general direction of the PDD Assistant Deputy Director, the Senior Information Systems Analyst (Sr. ISA) (Specialist) provides customer post-production support to the departments utilizing the FI\$Cal System. The incumbent works in collaboration with the FI\$Cal Service Center (FSC) management and other teams for ongoing departmental support in the areas of implementation, communications and deployment strategies, and development of plans and tools to ensure the successful implementation and long term adoption of the FI\$Cal System. This position acts as a project leader in support of the activities needed for leading post implementation support and month end/year end close support teams for the 150+ diverse departments utilizing the complex enterprise resource planning solution known as the FI\$Cal System.

The Sr. ISA (Specialist) will review the system's functional business designs and how they relate to each department. This requires keen analytical expertise in order to adequately support all the departments and agencies within the State of California. The incumbent must possess proficiency in analyzing state functional and administrative processes and be highly proficient in verbal and written communications to articulate information to various stakeholders in a clear, concise, timely, targeted, effective, and relevant manner. The month end and year end close processes are complex with rigid deadlines. This position must utilize project management skills to manage, track progress, identify/mitigate/manage risks and issues, lead multiple teams and escalate to FI\$Cal Executives and/or Partner Agencies when appropriate.

WHO MAY APPLY: Current State employees at the Sr. ISA (Specialist) level, those within transfer range, or individuals who have list eligibility.

HOW TO APPLY: All interested candidates must submit a State Application (Std. 678, Rev. 10/2013) with original signature to the address listed below. **Please write "RPA # F15-193 / Position # 333-400-1337-xxx" on your application and indicate the basis of your eligibility in the job title section (i.e. Training and Development, List Eligibility, Lateral Transfer, and etc.).** Applications without this information may be rejected. Please do **not** include page 5 (Equal Employment Opportunity questionnaire) of the State Application.

The selected candidate considered for the advertised position may be required to undergo a fingerprint clearance and any offer of employment will be contingent upon live scan fingerprint results.

APPLICATIONS SUBMITTED VIA EMAIL OR FACSIMILE WILL NOT BE ACCEPTED.
