DOING WHAT IS BEST FOR THE FUTURE OF CALIFORNIA’S FINANCIAL ENTERPRISE!

Looking for a change? Do you want to make a real difference? Join the team responsible for changing financial management in the State of California.

The Financial Information System for California (FI$Cal) is a historic partnership of the Department of Finance, the State Treasurer's Office, the State Controller's Office, and the Department of General Services — to transform the existing budgeting, accounting, procurement, and cash management systems to optimize the financial business management of the State. FI$Cal will allow the State to operate as a single enterprise for the first time in history.

Join FI$Cal. With a passion for implementing change and vision for enterprise-wide thinking, you will take a leading role in achieving our goal to bring enterprise resource planning tools and statewide process improvement to the State of California.

THE FI$Cal PROJECT IS SEEKING MOTIVATED CANDIDATES WITH THE FOLLOWING CHARACTERISTICS:

✧ Ability to exercise a high degree of initiative, independence of action, and originality;
✧ Ability to learn rapidly, follow directions, and communicate effectively with others;
✧ Ability to work unscheduled excess hours if needed to achieve Project goals;
✧ Ability to maintain regular, consistent, and predictable attendance.

Candidates must also:

✧ Demonstrate good judgment, tact, initiative, and diplomacy;
✧ Be highly adaptable – and have the ability to adjust to multiple, changing priorities requiring quick turnaround;
✧ Be able to work in a matrix team environment, collaboratively and cooperatively with staff from multiple departments and agencies, and numerous vendors.
DUTIES: Under general supervision of the Data Processing Manager II, the Associate Information Systems Analyst (Specialist), will function as the Associate Procurement Analyst, and will independently perform the more difficult, responsible, and complex technical tasks related to the support and maintenance of the FI$Cal Project’s (Project) information technology (IT) and non-IT procurements through purchase, rental, lease, and service contracts.

Desirable Qualifications:
- Knowledge of state contracting policies and procedures for IT and non-IT procurements;
- Knowledge of and experience conducting formal and informal IT procurements;
- Knowledge of the state’s purchasing programs;
- Strong background and experience using Microsoft Excel;
- Knowledge of the state’s current IT policies and practices.

WHO MAY APPLY: Current State employees at the Associate Information Systems Analyst (Specialist) level, those within transfer range, or individuals who have list eligibility. May consider a Training and Development (T&D) assignment.

Please write “RPA # F14-085 / Position # 333-651-1470-002” on your application and indicate the basis of your eligibility in the job title section. Applications without this information may be rejected.

The selected candidate considered for the advertised position may be required to undergo a fingerprint clearance and any offer of employment will be contingent upon live scan fingerprint results.

This position is designated under the FI$Cal Project’s Statement of Economic Interests (Conflict of Interest) Policy.

APPLICATIONS SUBMITTED VIA EMAIL OR FACSIMILE WILL NOT BE ACCEPTED.

LOCATION OF WORK: Positions are headquartered at the FI$Cal Project which is currently located at 2000 Evergreen Street, Sacramento, CA. This location has free parking!
