**DOING WHAT IS BEST FOR THE FUTURE OF CALIFORNIA’S FINANCIAL ENTERPRISE!**

Looking for a change? Do you want to make a real difference? Join the team responsible for changing financial management in the State of California.

The Financial Information System for California (FI$Cal) is a historic partnership of the Department of Finance, the State Treasurer’s Office, the State Controller’s Office, and the Department of General Services — to transform the existing budgeting, accounting, procurement, and cash management systems to optimize the financial business management of the State. FI$Cal will allow the State to operate as a single enterprise for the first time in history.

Join FI$Cal. With a passion for implementing change and vision for enterprise-wide thinking, you will take a leading role in achieving our goal to bring enterprise resource planning tools and statewide process improvement to the State of California.

**THE FI$Cal PROJECT IS SEEKING MOTIVATED CANDIDATES WITH THE FOLLOWING CHARACTERISTICS:**

- Ability to exercise a high degree of initiative, independence of action, and originality;
- Ability to learn rapidly, follow directions, and communicate effectively with others;
- Ability to work unscheduled excess hours if needed to achieve Project goals;
- Ability to maintain regular, consistent, and predictable attendance.
Candidates must also:

- Demonstrate good judgment, tact, initiative, and diplomacy;
- Be highly adaptable – and have the ability to adjust to multiple, changing priorities requiring quick turnaround;
- Be able to work in a matrix team environment, collaboratively and cooperatively with staff from multiple departments and agencies, and numerous vendors.

DUTIES: Under the supervision of the Systems Software Specialist III (Supervisory), the Associate Systems Software Specialist (Technical) (ASSS) provides journey level technical expertise in desktop administration and support. The incumbent evaluates, documents, tests, implements, maintains and supports the Information Technology Asset Management (ITAM) Library, desktop hardware, mobile device hardware, Microsoft Operating Systems, Microsoft Office Suites, Microsoft operating systems deployments, software applications, printers, multi-function devices, virtual desktops, anti-virus software, anti-malware software, e-mail accounts, network user accounts, and remote access services.

The ASSS provides technical assistance to staff within the scope of installation, configuration, testing, maintenance, and troubleshooting, of a wide array of IT system problems encountered by FI$Cal teams. The incumbent is responsible for supporting the entire FI$Cal Team on IT services from the planning through operational phases of the FI$Cal Project.

WHO MAY APPLY: Current State employees at the Associate Systems Software Specialist (Technical) level, those within transfer range, or individuals who have list eligibility.

Please write “RPA # F14-103 / Position # 333-353-1585-002” on your application and indicate the basis of your eligibility in the job title section. Applications without this information may be rejected.

The selected candidate considered for the advertised position may be required to undergo a fingerprint clearance and any offer of employment will be contingent upon live scan fingerprint results.

APPLICATIONS SUBMITTED VIA EMAIL OR FACSIMILE WILL NOT BE ACCEPTED.
