Wave 1 and 2 UAT for Departments

- Budget UAT covers two main business processes for departments:
  - Prepare Departmental Budget Submission
  - Administer the Budget

- The Prepare Departmental Budget Submission process covers all activities related to preparing departments’ incremental budget changes.

- Departments complete budgeting activities in Hyperion:
  - Review Baseline Budget
  - Enter Workload Adjustments
  - Enter Policy Adjustments
  - Enter Current Year Adjustment (e.g. Section 28.00), if approved
Wave 1 and 2 UAT for Departments

- Departments prepare their incremental budget changes using decision packages.

- Available decision packages include:
  - Baseline Budget Adjustment (BBA)
  - Baseline Revenue, Transfer, and Loan (BRTL)
  - Budget Change Proposal (BCP)
  - Enrollment / Caseload / Population (ECP) Budget Change
  - Capital Outlay Budget Change Proposal (COBCP)

- Capital outlay proposals will include a new Chart of Accounts (COA) value for Project Phase beginning in Wave 2.
The Administer the Budget process includes submitting requests to adjust one or more department appropriations.

The decision package type used to submit appropriation adjustment requests is the:
- Budget Administration Adjustment (BAA)
